# **APEC ARCHITECT PROJECT**

## **MEMORANDUM OF UNDERSTANDING**

between the

**APEC Architect Project Monitoring Committee of Chinese Taipei**

and the

**APEC Architect Project Monitoring Committee of the  
Republic of the Philippines**

had met for the purpose of increasing understanding of each other's culture, social and economic backgrounds, exchange of ideas as well as searching for a common ground to allow their architects to have more opportunities to expand their vision and practice of architecture under their two respective economic entities.

It has been mutually agreed by the two Monitoring Committees that the possibility of establishing a mechanism to eventually allow the provision of barrier-free architectural services between the architectural professionals of the two economies, will be explored and developed to implement the spirit, concept and objectives of the APEC Architect Project.

Done this 25<sup>th</sup> day of April, 2009 at SMX Convention and Exhibition Center, Pasay City, Metro Manila, in conjunction with the 35<sup>th</sup> National Convention of the United Architects of the Philippines.
